Experienced in working independently, managing complex projects, and applying creativity to practical problems.

SKILLS

Frontend: HTML, CSS, JavaScript, React, Tailwind, TypeScript

Backend: Python, Node.js, SQL, MongoDB, RESTful API, C#

Tools & Platforms: GitHub, WebStorm, JetBrains Rider

Other: Photography (portrait & commercial)

EXPERIENCE

Owner & Catering Manager

Kværnerbyen Thaimat

April 2020 – Present • Oslo, Norway

- Founded and managed a small catering business, taking orders via Facebook.
- Delivered homemade meals personally within the neighbourhood.
- Maintained operations while pausing active service to focus on studies.

Chef

Fursetgruppen

August 2022 – April 2023 • Oslo, Norway

- Created traditional Japanese menus and recipes.
- Managed food costs and inventory.
- Trained kitchen staff.
- Took food photography for menus and social media.
- Updated social media accounts.

Sous Chef

Koie Ramen

October 2021 – August 2022 • Oslo, Norway

- Assisted in daily kitchen operations.
- Prepared ramen dishes and ensured consistency.
- Supported training of junior staff.

Founder / Chef

Bad Burger Bangkok

January 2015 – May 2020 • Bangkok, Thailand

- Opened and ran a burger and craft beer restaurant in Bangkok.
- Managed daily operations, menu planning, and staff.
- Handled marketing and customer relations.
- Gained recognition as one of Bangkok's top ten burger restaurants and featured in a Vice magazine interview.
